Tom Bass Regional Park

15108 Cullen Blvd. Houston, TX 77047

Pavilion 4

Missionary Society of St. Paul

Empowers the weak and disadvantage young people in Africa with whom the Missionary Society of St. Paul, a 501(c)(3) non-profit organization serves. Our efforts are focused on empowerment through education; building community schools, providing food and clothing and subsidizing school tuition for children attending school, as well as providing care for children orphaned through the devastating effects of AIDS.
